Welcome to more DOG FUN

A program for **mixed-breed** dogs

More dog fun starts here.

The AKC Canine Partners™ Program opens up the world of AKC to mixed-breed dogs and the owners who love them. AKC Canine Partners also connects you with other mixed-breed dog owners. You'll be eligible to participate in all kinds of events, like AKC Rally®, Agility and Obedience. And you'll learn about training clubs, AKC S.T.A.R. Puppy® (an exciting new program designed to get dog owners and their puppies off to a good start), and the AKC Canine Good Citizen® Program (which teaches responsible dog ownership).

Training classes are not just for competition. Once you and your dog learn how to better communicate, the benefits will be immediately visible in how your dog behaves both in your home and in public. Through AKC Canine Partners, you'll find classes and events in your local community. Visit akc.org/events/trainingclub to search for clubs and training classes in your area.

And you'll be part of an exciting online community that's just for people like you—you'll learn more, share more and experience more of the world of AKC Canine Partners.

Enrolling in AKC Canine Partners™ also offers these other terrific benefits, worth more than \$75:

- Complimentary 60-day trial pet healthcare plan²
- Lifetime enrollment in AKC Companion Animal Recovery (CAR) pet recovery service³
- AKC CAR collar tag with AKC Canine Partners listing number³
- One-year subscription to the helpful, fun *AKC Family Dog* magazine⁴
- Frameable **Official Decree of Dog Fun**
